The Company has adopted and included this notice to comply with the California Consumer Privacy Act of 2018 ("CCPA"). Any terms used in this Statement that are defined in the CCPA have the same meaning given therein.

SELLING INFORMATION

Access to Specific Information and Data Portability Rights

You have the right to request that the Company disclose certain information to you about our collection and use of your Personal Data over the past twelve (12) months. Once the Company receives and confirms your verifiable information access request, the Company must disclose to you: (i) the categories of Personal Data we collected about you; (ii) the categories of sources for the Personal Data we collected about you; (iii) our business or commercial purpose for collecting or, if applicable, selling that Personal Data; (iv) the categories of third parties with whom we share that Personal Data; (v) the specific data points or pieces of Personal Data we collected about you. Do Not Sell Opt-Out Rights

You have the right to opt out of any sales of Personal Data as defined by the CCPA. However, the Company does not sell your information.

EXERCISING YOUR RIGHTS

To exercise your access, data portability, and deletion rights or do not sell opt-out rights described above, you may submit a verifiable consumer request by sending an email to privacy@together.ai.

You may only make a verifiable consumer request for access or data portability up to two times within a twelve-month period. You may make a verifiable do not sell opt-out request at any time. Any such request must: (i) provide sufficient information that allows us to reasonably verify that you are the person about whom we collected Personal Data or an authorized representative thereof; and (ii) describe your request with sufficient detail such that we may understand, evaluate, and respond to it. The Company cannot respond to your request or provide you with Personal Data if we cannot verify your identity or authority to make the request and confirm the Personal Data relates to you. Making a verifiable consumer request does not require you to create an account with the Company. The Company will only use Personal Data provided in a verifiable consumer request to verify the requestor's identity or authority to make the request. Only you or a person registered with the California Secretary of State that you authorize to act on your behalf may make a verifiable consumer request related to your Personal Data. You may also make a verifiable consumer request on behalf of your minor child.

Response Timing and Format

We endeavor to respond to a verifiable consumer request within 45 days of its receipt. If we require more time (up to 90 days), we will inform you in writing of the extension period and the reason for it. The Company will deliver any required or requested responses or other communications in writing to you by email. Any disclosures we provide will only cover the twelve-month period preceding the verifiable consumer request's receipt. If applicable, the response we provide will also explain any reasons we cannot comply with a request. For data portability requests, the Company will provide your Personal Data in a format that is readily usable and transferable. The Company does not charge a fee to process or respond to your verifiable consumer request unless such requests become excessive, repetitive, or manifestly unfounded or as otherwise permitted by the CCPA. If we determine that a request warrants charging a fee, we will notify you and provide you with a cost estimate before completing your request.
